

PAPER TAPE

Paper Tape

Features:

- ✓ Stronger and better adhesion than pp/pvc tape.
- ✓ The paper tape is forming a permanent bond (vulcanization), excellent protection against pilferage.
- ✓ Temperature, light and ageing resistant. Ideal for cold stores.
- ✓ Perfect seamless closure, giving your business a more professional appearance.
- ✓ It is easy to apply, odourless and leaves no adhesive residue on the hands.
- ✓ It makes the box stronger, less chance that the packaged product will be damaged.
- ✓ Recyclable with the box (environmentally friendly, socially responsible).
- ✓ Quiet in use.
- ✓ Printable (with press wheel for fixed printing or variable printing with Cyklop JP Nano-inkjet).
- ✓ Available in white and brown.
- ✓ Uniform packing pattern (equal overlap on the side of the boxes)
- ✓ Applicable to fix boxes inconspicuously.
